It really amazes me just how far *SNOWBOARD* has come in just over a year and a half. What started out as a glimmer of imagination has blossomed into something vibrant and real. This will be our seventh issue. Each showcases the gear and resorts that tie all snowboarders together while highlighting the people that make snowboarding more than a sport. In this time, we have grown as a business and as individuals striving to raise the bar with these pages.

Our goal has always been simple: We want to inspire you with this magazine. If we do our job right, you will want to *SNOWBOARD*. —Mark Sullivan 🍀
