Nature Of Snowboarding. Of Creators and disciples, and generations of riders, Swiss photographer Gian Paul Lozza's book of portraits has been years in the making. Stare into the pages and you'll find yourself wanting to know more. Who are the ones responsible, the gifted, the determined, and the chosen?

Available from rupapublishing.com, Nature Of Snowboarding is simple and complex—it's meant to be looked at, not read ... except for what can be read from the eyes of snowboarding.

Top row, left to right: Johan Olofsson, Lukas Huffman, Nicolas Müller, Jamie Lynn, Terje, Tina Birbaum. **Second row:** Anne-Flore Marxer, Silvia Mittermüller, Joni Malmi, Marc Frank Montoya.

Third row: David Benedek, Nico Droz, Eero Ettala, Ingemar Backman. **Bottom row:** Gian Simmen, Eero Niemela, Andrew Crawford, DCP, Giacomo Kratter, Freddie Kalbermatten

PORTRAITS: **Lozza**
